Lesson:- Unit-2 [A]

Write the following in your English-II note book
[Single lined].

Que I. Write 'My dog likes to Disco' [12 lines].

My doggy likes to disco dance.

He boogies every night,

He dances in his doghouse,

Till the early morning light.

The other dogs come running,

When they hear my doggy swing,

A few will play their instruments,

The others dance and sing.

They pair off with their partners,

As their tails begin to wag,

They love to do the bunny hop,

The fox trot and the shag.
